### **Committee Reports/General Updates**

#### **Safety:**

- COP/DoT Walks
  - The LPCA tries to have a walk once a month. The goal is to identify areas in Locust Point that need attention. For example, during one walk the stretch of Fort Avenue from Bracuddas to Amber had no working lights. Most times a representative from the councilperson's office joins and sometimes the BPD will send an officer.
- Officer Torress, the BPD Southern District representative was in attendance.
  - In the last 28 days, there were 17 stolen autos, primarily Kia and Hyundai. Clubs for theft prevention are no longer available at the stations, but dealerships offer an ignition update. Additionally, there were 2 robberies, 2 burglaries, and 1 carjacking at a supermarket involving an employee at Giant.
  - Question from the floor: Was there a carjacking on Haubert Street?

A reminder to be aware of your surroundings. The District Commander is deploying special units throughout the district to address robberies and abandoned vehicles. There will be increased foot patrols and vehicle stops.

- Question from the floor: Is Locust Point (LP) included in the list of communities?

Yes, there will be specific focus areas.
- Question from the floor: Is there a description or pattern that has been identified?

Descriptions are challenging to obtain after incidents, although it appears that juveniles may be involved.

- Question from the floor: Does the city have a place to register your cameras?  
Yes, refer to the LPCA website. The city is piloting an intelligence room to coordinate camera systems.
- Question from the floor: Is there an update on Federal Hill shootings?  
The situation was unique. The downtown initiative is ongoing, with Inner Harbor officers able to assist in Federal Hill and collaboration with Wolf Security.
- Question from the floor: What can Wolf Security do?  
Their role is notification only.
- Question from the floor: Are there plans for deploying officers for block parties/Ravens games?  
Some districts have involved the sheriff or state police. There's a new schedule planned for 2024 with the new commissioner, aiming to fill gaps in coverage.
- This weekend officers will be flexed in the east side and north side for the Baltimore Running Festival in the morning.
- There was no DoT representative in attendance.
- As a reminder, if you open a 311 ticket please email the board with the ticket number.
- Safety concerns can be sent to [contacts@mylocustpoint.org](mailto:contacts@mylocustpoint.org).

#### **Parks & Beautification:**

- It was a busy day in the park yesterday. Domino's Sugar was working on the rec center. On Monday, power washing took place, Tuesday involved painting and landscaping. Twenty Domino's Sugar employees contributed to the event.
- Reminders: Saturday, October 14th, is the fall maintenance day from 9 AM to noon. We'll be preparing planting beds for winter, and supplies will be provided. This will be the last park event for the year.
- Halloween is approaching!

#### **Social:**

- There will be an update on the Festival at next month's meeting.
- The Holiday Party will be December 13th in lieu of the meeting. It will be at the Knight of Columbus.

## **UA Community Garden Updates**

- Met with Park and Rec to discuss the potential relocation of the garden to Latrobe. These discussions are still in the preliminary stage. We have identified potential spots and tasks to take care of, and we are currently awaiting an official letter.
- There are numerous items that would need attention, including tree clearing, water access, fencing, finding a sponsor, and drafting a lease agreement.
- While we are still hopeful that the garden will remain in its current location, this is considered a backup plan. Implementation would not be possible until 2025.
- Regarding the sugar factory tour, all 12 spots were filled within an hour. We are now requesting more dates.
- Defenders Day took place last month, and the event went well.
- Questions can be directed to [locustpointcg@gmail.com](mailto:locustpointcg@gmail.com).
