Teller Tally Sheet – November 11, 2026

Count in view of the room with at least two volunteers. Be ready to report at 9:05. All tellers watch every step. Report numbers, not just winners.

Majority = more than half of the votes cast on that question. Blank, spoiled, or double-marked answers are not votes cast; record them separately.

Report and secure

1. Read the results aloud, question by question: votes for each option, blanks, and the result.
2. Give this signed sheet to the Recording Secretary for the minutes.
3. Seal all ballots, including set-aside ones, in an envelope signed across the flap by every teller. Keep it until after the January vote.
